

SAFETY FIRST!

(sung to "Skip to My Lou")

CHORUS:

*Rules, rules, stick to the rules,
Rules, rules, stick to the rules,
Rules, rules, stick to the rules,
Stick to the rules for safety!*

Look both ways when crossing the street,
Cars must make a stop complete,
Use your eyes before your feet,
Stick to the rules for safety!

CHORUS

Don't light matches, it's no game,
Things can quickly catch aflame,
Fire spreads, and that's a shame,
Stick to the rules for safety!

CHORUS

Never run by a swimming pool,
You could slip and be a fool,
Walk instead and play it cool,
Stick to the rules for safety!

CHORUS

Don't throw rocks that you have found,
You might hit someone around,
Leave them safely on the ground,
Stick to the rules for safety!

CHORUS
