

RECIPE CARD HOLDER

Project: Recipe Card Holder (Courtesy of Joan Lengyel,  
Cub Pack 38, Trenton, N.J.)

Approximate Assembly Time:

1/2 hour

Materials Required:

Plaster of paris  
Plastic drinking glasses (preferably the  
colored cocktail type)  
Plastic spring-type clothespins (colored)  
Plastic flowers

Instructions:

1. Mix plaster of paris
2. Pour into plastic glasses, leaving  $\frac{1}{2}$ "  
space at top
3. Place clothespin in, upside down, with  
one end in plaster, pressing against  
cup, and other end outside the cup
4. Let plaster set slightly
5. Cut small flowers from main stem and  
place 5 or 6 into plaster when firm  
enough to hold upright

This holder could also be used as name place settings  
at a banquet or dinner, and done in coordinating  
color scheme.
